

## MD5K 2017 T-shirt Size Chart

New for 2017, everyone gets a breathable, technical fabric tee at no extra cost! And, our tech shirts are an ultra-soft fabric that looks and feels like natural cotton.

The ladies style is a slightly tapered (but not skinny) women's cut. Our testers said it runs a little smaller than last year's shirt, but we have added an extended range of sizes. See the size options and garment (not body) measurements on the charts below to help select the best size for you.
