Decorate a PORT-a-POT!

Not many races brag about their port-a-pots, but we do! And why not, when they've included potties with themes like "Tinkled Pink," "Royal Wedding," "K-State Wildcats," "Flower Power," "In honor of my Grandma," and "Fresh As A Daisy." What great decorating ideas can you add to this year's line up?

There are three categories for prizes this year.

1. Adult (16+ years) – 4 hour house cleaning from Cleaning Authority.
2. Youth (15 years and younger) – \$20 Movie Tickets.
3. Organizations – Offer the chance to reach 4000+ runners/walkers with your message

Mother's Day 5K Port-a-Pot Decorating Guidelines:

- Decorations must be removable and not mar the surface. Clear packing tape works well to secure decorations.
- Approximate overall dimensions are 2'8" wide by 6'5" tall. The door area is approximately 2'2" by 5'6" with recessed handle on right.
- Decorating window opens at 1:00 p.m. on Saturday and must be completed by 7:00 a.m. on Sunday for judging.
- You will be emailed a Port-a-Pot-Bib to attach to the front of your Port-a-Pot building to identify you for the contest.
- Prizes will be given after the race. If you cannot be present, the prize will be mailed.
